Vikram Roy

Automation & Controls Engineer

vikram.roy.engineer@fakemail.com | +91-9876-543210 | 14 Innovation Drive, Delhi, Maharashtra 135199

Professional Summary

Results-driven Automation & Controls Engineer with 14+ years of experience designing, implementing, and managing industrial automation solutions. Proven expertise in PLC/SCADA systems, DCS integration, and process optimization. Demonstrated track record of reducing production downtime by 20%+ and leading cross-functional teams. Seeking Senior Controls Engineer role to leverage automation expertise and mentor next-gen engineers.

Technical Skills

- PLC Programming: Siemens S7-1200/1500, Allen-Bradley CompactLogix/ControlLogix, Structured Text, Ladder Logic
- SCADA & HMI: WinCC, FactoryTalk, Wonderware, Ignition
- Industrial Networks: Profibus, EtherCAT, Modbus, OPC-UA
- Control Theory: PID Control, Process Control, Motion Control, Safety Systems
- Manufacturing: Machine Automation, Assembly Line Optimization, Packaging Systems, Material Handling

Work Experience

Controls Engineer

Global Logistics Solutions | 2021 - 2026

- Implemented real-time production analytics integration reducing defect detection time from 4h to 12min
- Spearheaded IIoT initiative connecting 15 machines to cloud analytics platform, enabling predictive insights
- Architected end-to-end industrial automation solution for greenfield facility (100+ I/O points)
- Reduced engineering project delivery time by 25% through process standardization and automation frameworks

Senior Controls Engineer

Tech Innovations Ltd. | 2017 - 2020

- Led multi-disciplinary team of 5 engineers in deploying Safety-rated systems (SIL 2/3) across manufacturing
- Reduced engineering project delivery time by 25% through process standardization and automation frameworks

- Architected end-to-end industrial automation solution for greenfield facility (100+ I/O points)
- Implemented real-time production analytics integration reducing defect detection time from 4h to 12min

Lead Controls Engineer / Team Lead

Pioneer Automotive | 2012 - 2016

- Led multi-disciplinary team of 5 engineers in deploying Safety-rated systems (SIL 2/3) across manufacturing
- Reduced engineering project delivery time by 25% through process standardization and automation frameworks
- Mentored 4 junior engineers resulting in 3 promotions within 2 years
- Implemented real-time production analytics integration reducing defect detection time from 4h to 12min

Lead Controls Engineer / Team Lead

Future Mobility Corp. | 2009 - 2011

- Architected end-to-end industrial automation solution for greenfield facility (100+ I/O points)
- Led multi-disciplinary team of 5 engineers in deploying Safety-rated systems (SIL 2/3) across manufacturing
- Reduced engineering project delivery time by 25% through process standardization and automation frameworks
- Spearheaded IIoT initiative connecting 15 machines to cloud analytics platform, enabling predictive insights

---

Projects

Predictive Maintenance Logic

- Developed diagnostic algorithms for equipment health monitoring
- Impact: Prevented 3 major failures, saved $180K in unplanned downtime

Motor Control & Protection System

- Engineered comprehensive motor control logic with safety interlocking
- Impact: Zero safety incidents, 99.8% uptime achievement

SCADA System Integration

- Deployed WinCC SCADA system integrating 45+ sensors across production floor
- Impact: Real-time visibility, 22% reduction in downtime

Tractor Assembly Line Automation

- Designed and implemented PLC-based automation for multi-station assembly line
- Impact: Reduced cycle time by 18%, increased throughput by 25%

Education

B.Tech in Electrical Engineering

National Institute of Technology (NIT)

Graduated: 2004

M.Tech in Control Systems

Institute of Engineering and Technology

Graduated: 2006

Certifications

- Allen-Bradley ControlLogix Programming Certification (2021)
- SCADA Systems Administration Certified (2020)
- IEC 61131-3 PLC Programming Standard (2022)

Achievements

- Strong problem-solving and analytical mindset
- Excellent communication and stakeholder management
- Team collaboration and knowledge sharing
- Continuous learning and professional development

Languages

- English
- Hindi
