Shilpa Menon

Controls Engineer

shilpa.menon.48264@techmail.com | +91-9654-363862 | 126 Tech Park, Noida, Uttar Pradesh 292526

Professional Summary

Dedicated Controls Engineer with 1 year of foundational experience in PLC programming and industrial automation. Proficient in Siemens and Allen-Bradley platforms with growing expertise in SCADA/HMI development. Eager to expand technical depth and contribute to impactful automation projects.

Technical Skills

- PLC Programming: Siemens S7-1200/1500, Allen-Bradley CompactLogix/ControlLogix, Structured Text, Ladder Logic
- SCADA & HMI: WinCC, FactoryTalk, Wonderware, Ignition
- Industrial Networks: Profibus, EtherCAT, Modbus, OPC-UA
- Control Theory: PID Control, Process Control, Motion Control, Safety Systems
- Manufacturing: Machine Automation, Assembly Line Optimization, Packaging Systems, Material Handling

Work Experience

Controls Engineer

Tech Innovators Ltd | 2025 - 2026

- Supported SCADA system implementation for real-time production monitoring
- Participated in electrical schematic design and validation for motor control circuits
- Collaborated on HMI interface development reducing operator errors by 15%
- Assisted in programming and testing of PLC controllers for assembly line automation

Education

B.Tech in Electrical Engineering

Technological University of India

Graduated: 2017 | GPA: 8.03/10

Projects

Predictive Maintenance Logic

- Developed diagnostic algorithms for equipment health monitoring
- Impact: Prevented 3 major failures, saved $180K in unplanned downtime

SCADA System Integration

- Deployed WinCC SCADA system integrating 45+ sensors across production floor
- Impact: Real-time visibility, 22% reduction in downtime

Certifications

- Certification 1
- Certification 2

Achievements

- Strong problem-solving and analytical mindset

Languages

- English
- Hindi
